HONG KONG — Asia's World City

Hong Kong is a leading international business and financial centre. Located in the heart of Asia and adjacent to Mainland China, one of the world's fastest growing regions, Hong Kong is a cosmopolitan city offering global connectivity and rich diversity. It enjoys one of the most advanced business infrastructures in the world.

Vocational Training Council (VTC)

Vocational Training Council (VTC), established in 1982, is the largest vocational and professional education and training provider in Hong Kong, and is committed to preparing students for success in the globalised economy. It offers programmes from Diploma and Higher Diploma to Bachelor's and Master's levels, with internationally recognised qualifications.

Theory x Practice

Our curriculum provides a fine balance of theoretical and practical, vocational and general education with internationally recognised qualifications. Our strong industry links ensure access to work-integrated learning and industrial attachment opportunities to prepare work-ready professionals.

Diversified Learning

A vast array of opportunities enhance learning through participation in classroom lecture as well as industrial attachments, exchange programmes, competitions and student development programmes, building both hard and soft skills.

Holistic Student Development

Whole person development programmes equip you with transferable skills, moulding you into a well rounded 21st Century professional whilst nurturing the right attitudes and values for career success and lifelong learning.

Industrial Attachments (IA) and Work-integrated Learning (WIL)

Work experience is critical to building a successful career. All programmes include IA/WIL opportunities with local or international firms. IA/WIL provides first-hand practical experience and prepare you for the world of work upon graduation.

Industry's Preferred Choice

VTC graduates are highly valued by business and industry for their creativity, professional knowledge, practical skills and workplace competency. Our work-ready Degree and Higher Diploma graduates enjoyed 95% and over 90% employment rate respectively.

Go Global

Global experience can help you stand out in the job market. To nurture global vision, VTC provides a variety of opportunities for you to study abroad and participate in international events and cross-cultural learning. Over 4,000 students benefited from outbound learning activities in 2019/20.

International Community

VTC welcomes students from across the globe for study and exchange. We regularly invite a diverse range of experts from around the world to share their knowledge, research and cultural insights with our staff and students through seminars, workshops and activities.

Hall accommodation

Hall accommodation enables you to socialise with people from different backgrounds and regular activities bring a world of different cultures to our residents. VTC provides around 1,000 residential places in its two halls located in Pokfulam on Hong Kong island and Tsing Yi in the New Territories.

International students commencing their first-year of study in VTC are given priority in applying for hall accommodation. Hall accommodation in a double occupancy room is about US\$2,570 per bed for 10 months.
